INFORMATION DISCLOSURE STATEMENT

UNDER 37 CFR §§ 1.56, 1.97(b)(3) AND 1.98

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

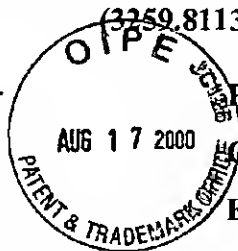

Dear Sir:

In accordance with the duty of disclosure under 37 CFR § 1.56, Applicant submits this Information Disclosure Statement pursuant to 37 CFR §§ 1.97(c) and 1.98 in the above-identified application for consideration by the Patent Office. The 37 C.F.R. 1.17(p) filing fee required under 37 CFR 1.97(c) is provided in the accompanying Fee Transmittal attached hereto.

Attached hereto is a Form PTO 1449 listing each of the citations. Also enclosed is a copy of each of the citations listed on the enclosed Form PTO 1449 with the exception, however, that for the currently pending U.S. patent applications listed by their U.S. Serial Number, a copy is not submitted and a copy of a corresponding PCT publication, if any, is submitted. Each of such copending U.S. applications is commonly assigned with the above-captioned patent application, and is directed to technology which may be viewed as being in a related or similar technology field to that of the above captioned patent application, and is brought to the attention of the Examiner for that reason. Upon request from the Examiner, a copy of any such cited commonly assigned application will be submitted. In most or all cases where the citation listed in accompanying Form PTO 1449 is a foreign language document for which no translation is available to applicant, an English language abstract is included in the document; upon request from the Examiner, a translation of all or specified portions of any such document will be submitted.

Applicant does not intend to represent that any of the documents submitted herein is material prior art to this invention or that the list represents an exhaustive search of documents related to this invention.
